# Company Profile

Built on a Family heritage of British Manufacturing & Craftsmanship.

Founded in 2010 by Mark Christopher Bracken.

Area International is now one of the leading Lifestyle Brands For The Hospitality Market in North America.

# Route to Market

Main route to market is through authorized Independent Area International Representative Groups across various states which market the products to Architects, Specifiers, and Interior Design Companies.

Broad portfolio covering all aspects of seating required for Corporate, Restaurants, Hotels, Bars, Casinos and Country Clubs.

Area uses only the finest and high-quality graded in fabrics and leathers, such as Camira, Kvadrat, Maharam, Design Tex and Ultra Fabrics. Customer's can also have COM fabrics or COL.

Products are available in various wood stain and metal color finishes.

Area is committed to working closely with their customers and rep groups to meet their project needs.
